Online Puja Yagna Ethics

We are religious minded people and we are deeply concerned regarding the problems of our clients who trust us for performing online pujas on their behalf so that they can get a desired result as per their expectations. These Virtual Pujas are performed by our learned Brahmins/Pundits who are into this line since at least two generations. All the online pujas are performed strictly according to the guidelines prescribed by our ancient sages and our vedic literature so that our clients can get a maximum benefit of them.

All the online pujas will be performed at Ahmedabad, India and the venue will be decided by our purohiths depending upon the type of Puja. The date is normally within 1 week of the receipt of the order unless it calls for a specific date either due to our customers choice or due to the type of Puja which requires to be performed on some specific tithi as per vedic shastras.
