## Information about Vaastu Dosh Removal Puja

Vastu Dosha Removal Puja should be performed to remove any Vastu faults of any place may it be Home, Office, Showroom or a Factory. Any place is supposed to have a Vastu fault whenever the construction of that place has not been done according to the Principles of Vastu. These principles taken into consideration all the 8 main directions as well as the 5 basic elements which are Water, Earth, Fire, Space & Air. Wherever, there is an imbalance between these five elements, then a Vastu Dosha develops in that dwelling and any person residing in it or working in it has to suffer the negative effects of such a Vastu fault. These negative effects manifest themselves in the form of Diseases, Health Problems, Financial Problems, Loss of Peace & Prosperity as well as Name & Fame.

At times, it is not possible to make structural changes in a building as it may either be not possible or may require a lot of expenditure.

In such cases, to get a Vastu Dosha Nivaran Puja performed is very effective to nullify the harmful effects of Vastu Dosha. Vaastu Puja should be performed once to bring Peace, Harmony and Happiness in the House as well as to promote Business & Wealth in our Office, Shop or Factory.

Our purohits will perform the Online Vaastu Puja and Homa as per Hindu Rituals so that the Yajman (for whom the puja is being performed) can get maximum benefits from this Puja.
